Cautionary notice regarding forward-looking statements

This presentation contains forward-looking statements. Statements that are not historical or current facts, including statements about beliefs and expectations, are forward-looking statements. These forward-looking statements cover, among other things, the future prospects and growth of the Company.

Forward-looking statements involve inherent risks and uncertainties, and important factors could cause actual results to differ materially from those anticipated, including the following:

(1) the transaction described in this announcement is subject to regulatory approval and other closing conditions and may not close on the expected timing or at all;

(2) the costs or difficulties relating to the combination of the businesses may be greater than expected and may adversely affect our results of operations and financial condition and our ability to realize anticipated synergies from the transaction;

(3) the expected benefits of the transaction may take longer than anticipated to achieve and may not be achieved in their entirety or at all, and will in part depend on the ability of the Company to retain and hire key personnel and maintain relationships with its clients;

(4) developments in market and economic conditions have in the past adversely affected, and may in the future adversely affect, the business and profitability of the Company generally and of its investment banking business specifically; and,

(5) other factors identified under “Risk Factors” in Part I, Item 1A of our Annual Report on Form 10-K for the year ended December 31, 2021, and updated in our subsequent reports filed with the SEC.

These reports are available at www.pipersandler.com or www.sec.gov.

Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update them in light of new information or future events.

PIPER SANDLER TO ACQUIRE DBO PARTNERS

Acquisition Details

- **TRANSACTION STRUCTURE**
  - Piper Sandler to acquire 100% of the equity in DBO Partners
  - Total consideration consists of upfront cash, restricted stock, earn-out, and retention; transaction value not disclosed
  - Retentive incentives in place through restricted consideration and earn-out consideration; producers need to be employed to realize a majority of these incentives
  - Founders and all partners have signed employment agreements

- **FINANCIAL IMPACT**
  - The addition of DBO Partners is a significant step towards building a durable technology investment banking group similar in scale to our other industry groups, with opportunity to grow over the long term
  - No material change to share count, and modestly accretive to non-GAAP EPS on a full-year basis

- **MANAGEMENT OF DBO PARTNERS**
  - The DBO Partners team of 23 professionals will be integrated into the Piper Sandler technology investment banking group
    - Team includes co-founding partners Gordon Dean, Mark Bradley and Nick Osborne, and four additional partners
    - Nick Osborne will be named co-head of technology investment banking alongside Steve Schmidt, current head of technology investment banking; together they will lead the combined group of over 50 investment bankers
    - Gordon Dean will be named vice chairman of investment banking
    - Mark Bradley will be named chairman of financial sponsors coverage
    - Brian White will be named head of security and defense technology within the technology investment banking group

- **TIMING**
