Case Study

American Public Media Group

Piper Sandler first served as underwriter to the American Public Media Group and its current and past subsidiaries of Minnesota Public Radio, Southern California Public Radio and Classical South Florida in 2002. In that time, Piper Sandler served as sole or senior underwriter and remarketing agent on four variable rate bond issues and sole underwriter on one fixed rate bond issue.

In addition, Piper Sandler served as placement agent for four variable rate refunding bond issues in 2014. Piper Sandler also assisted the American Public Media Group with its first bond rating of “A2” by Moody’s Investors Service in 2005.
